Earlier this year, Dina's new novel *A Dangerous Daughter* was launched and has already received rave reviews from all readers. This is a fantastic opportunity to meet a local author – and add a special signed copy to your collection!

## **A Dangerous Daughter**

*An inspirational story of the power of love to heal.*

Drawing on true events from the author's life, *A Dangerous Daughter* will resonate with people of all ages and cultures who have ever been unfairly blamed or shamed.
