

STORYTIME

We are thrilled to bring to the NT "Drag Queen Storytime"

What is it you ask? is just what it sounds like—drag queens reading stories to children young and old, also the adults in libraries, book stores, day care and schools.

DTQST captures the imagination and play of the gender fluidity of childhood and gives kids glamorous, positive, and unabashedly queer role models. In spaces like this, kids are able to see people who defy rigid gender restrictions and imagine a world where people can present as they wish, where dress up is real.

Would you like to host one of our "Drag Queen Storytime" events. If you are interested in booking us in or want to meet up to discuss the concept and get a quote, please email info@dragterritory.com

We are launching the 1st for the NT on Saturday June 22 at City Of Palmerston Library. A magical experience for all ages.
