CULTURE**

## Workshop with Lucy Yarawanga: artist insights & painting with earth pigment

Join Lucy Yarawanga, Gurr-goni artist and printmaker, for an intimate insight into the stories & techniques behind her first solo exhibition.

During this session, Lucy will share her ancestor's stories about the Bawaliba spirit. Lucy will share her methods of working with natural earth pigment, harvested from her country, as well as charcoal. She will show how she grinds and combines the rocks with fixative, and applies them onto fine art paper using sticks, grasses and brushes.

WORKSHOP PROUDLY SUPPORTED BY MANINGRIDA ARTS AND CULTURE,  
LAUNDRY GALLERY AND THE NORTH FOUNDATION.
