RIDE THE NIGHT TRAIN

Jump on this unforgettable ride with Constantina Bush, a woman of the world whose style is second-to-none. This lady has seen it all! Constantina's stories are without compare and she tempts you to join her for one night.

Supporting this icon is Darwin's hottest soul band, Eduardo and The Night Train. Experience the newest Top End contemporary funk around and groove along to some old favourites.

So get on board with Constantina, one of Australia's most illusive and fun-loving stars, for an evening of music, stories and naughty revelations. Get your ticket stamped for the ride of the year!
